How to use this planner

- Print the whole planner once, then print extra copies of the pages you use most, such as the Day Plan and Fuel pages.
- Print at 100% / Actual size on A4 or US Letter paper. The printable pages have a white background to save ink.
- Hole-punch the pages and keep them in a binder, so you can add pages any time.
- Every page is undated, so you can start in any month of any year.
- Plan the route first, then give each driving day its own Day Plan page.
- Digital planner: open the hyperlinked PDF in any PDF annotation app and tap the tabs to jump between sections.
